

Value Of Catholic Education

The value that we as Island Catholic Schools place on Catholic education is not new. The faces of our institutions change as the years pass but we value them in the same way.

We believe that academic formation is a right that belongs to all persons. We believe that a superior form of education is one in which our faith and values are being taught in an atmosphere of charity. Hence, we believe that when students

FOUNDATIONS AND BASIC COMMITMENTS

PHILOSOPHY OF EDUCATION 103

However, no school can be effective if the teaching staff is not enlivened and unified by love and a sense of service which is in accord with Christian tradition and teaching.

Role Of Parents
