311

Rationale

n the event that the rincipal of a school is absent from school for a long period of time an acting rincipal must be appointed. Usually this would be the Vice rincipal however in a situation where there is no Vice rincipal or the latter is also unavailable provisions must be made to appoint an acting rincipal.

Policy

n the absence of a Vice rincipal designation within a school and when the rincipal is absent from duties for a long enough time to affect the efficient operation of the school the uperintendent in consultation with the chool ouncil will appoint an acting rincipal
