LONG TERM DISABILITY

425

## Rationale

Catholic Independent School of the Diocese of Victoria (CISDV) supports employees returning to work if they are able to do so after being off on Long Term Disability (LTD). There is need to establish the reasonable length of time a position should be kept open for a staff member who is on Long Term Disability (LTD). Having no reasonable date is not fair to the employer, the employee on LTD and the employee hired to temporarily replace them.
